PUBLIC POUNDING

I was walking down the canal after a day's work when I saw Angela, my ex, sitting with her legs over the water. A small, tight bird with rich, round breasts, five foot two, wearing a leather jacket on top of a short jeans skirt and white tights. She was swigging a bottle of red wine generously and talking to her self. I thought that she needed some company so I walked up behind her and asked her what she was doing there, sitting all alone by the canal.

"I needed to get away from people," she said, "I had a fight with my boyfriend and needed some time away from everything."

I suggested that we go back to my place, a short walk along the canal, to chat and have a drink, to which she immediately agreed.

"I put a hand on her cunt and started making wide circles on her clit"

We started walking and sharing her wine. Before I knew it we had our arms around each other. Angela's hand kept crawling down to my crotch and giving my cock a hard squeeze. Needless to say I was hard and craving her sweet little body. By the time we reached my door I was starving for her pussy. While I was sliding the key into the lock she huddled up behind me, her jugs

pressing against my back, and started rubbing my cock through my jeans and biting my earlobes.

I opened the door and immediately turned around to be greeted by a lusty snog, her hands looking for my cock while I felt her cunt through her tights. I could feel her heat and wetness through her panties and her tights while she started moaning deeply and closing her eyes in near ecstasy.

Without closing the door we moved inside my place.

Parting for a second, Angela turned around and leaned against the wall,

still in the entrance hall. She moved her arms behind her back looking for me and my rod, while pushing her arse out in the air, grinding against my crotch.

Without further ado, I pulled her tights and panties down to her ankles and bunched up her skirt – her pussy was already juicing and glistening wet while she pressed against me, asking to be fucked with every movement but without saying a word.

I put a hand on her cunt and started making wide circles on her clit while parting her lips. With eyes still closed she moaned and begged for my cock with her body. In our lust, neither of us had

INK STINK

Congrats to the new Ed on keeping up the fine standard – *Club* remains head and shoulders above every other magazine of its type.

One thing did catch my attention, however, and I am hoping it was a first-time editorial glitch as opposed to a new policy – the sneaky appearance of tattoos on some of the models. Don't get me wrong, some people like the body art – but I've always thought *Club* was a classy mag and have particularly enjoyed the omission (and occasional airbrushing out) of unsightly dolphins, stars and tramp stamps – I'm sure I speak for all aficionados of fine grot out there. *Club* has always been my mag of choice for the lack of tats and fake tits – long may this remain! *Sharky, London*

Cheers Sharky, but where do you sit on tattoos of fake tits? We'll be letting the odd one sneak through when it's tasteful and classy in true *Club* style but, rest assured, we'll be deleting out any

RIPE BREE

I was on holiday about a month ago in a little village called Methil, which is in Fife. While I was there I went to the local corner shop and noticed they were selling imported porno mags. The one I bought turned out to be the American edition of *Club*. The magazine's full of hardcore pictures of gorgeous girls taking big cocks in their pussies and arses. Anyway, while I was flicking through the mag, I discovered this really sexy porn star I'd never heard of before. Her name's Bree Olson. I think she's absolutely gorgeous, with long, blonde hair, brown eyes and a lovely curvy arse. According to what I've read in the mag, she's a dirty little slut who loves anal sex and has starred in loads of films. I was just wondering if there's any plans to feature her in the UK edition of *Club*.

Craig, Cumbernauld

Boo to American *Club*! Up with *Club International*, the original and best. We love Bree too, and she's been in our ace sister mag *MensWorld*, but the minute someone sends us some nice photos of her – without a big cock in her bum, ideally, what with the law and all – we'll have 'em for you!

realised that the door was still wide open.

Reaching behind her back again she opened my fly and released my now throbbing member, stroking it hungrily and pulling it towards her eager cunt. Rubbing my bell-end against her clit, I teased her for a

SUZIE'S POSH, BUT SHE'LL GIVE YOU A NOSH

Suzie Carina might just be the poshest porn star we've ever met. She sips champagne like we swig mugs of tea, and she's got more jewellery than, erm, insert name of notable jewellery collector here. But for all that, she's filthy.

"I might be used to the finer things in life," she purrs, "but that doesn't mean I haven't got a sky-high sex drive."

But you only get posh cock, we assume?

"A cock is a cock, rich or poor. Some of the best dick I've ever had has been in the scummiest dives in Europe. There's a truckstop I know where a guy has the biggest dick I've ever seen. I drive past there all the time! Seriously, it's so big I can't fit it all in my pussy. Maybe you've got one that will though..." ♣

DOWN THE WIRE

What's been keeping *Club's* network of global correspondents busy this month?

ANOTHER KIND OF ACTION MAN

Toy manufacturers Mattel, the giant corporation who brought us all Action Man, amongst other,

less savoury products, has announced that it is presently accepting pre-orders for the April release of the newest doll in the Barbie/Ken line, the swankily dressed 'Palm Beach Sugar Daddy Ken'.

It is rumoured that Sugar Daddy Ken is – somewhat frighteningly, yet appropriately

enough – to be showcased with a much younger, trophy-type Barbie. According to Mattel, he emanates, 'Cool sophistication... Sporting a dashing jacquard-patterned jacket with a light pink polo shirt and crisp white pants, Ken doll is ready for the Palm Beach social season, whether sunning by the pool or strolling with his little canine companion.'

In addition to the pimped-up and ageing, cradle-snatching and shit-rich customised Ken doll, the 'Sugar Daddy' kit contains jacket, pink polo shirt, white shoes, a small dog on a lead, skimpy swimming trunks and, of course, (in case your jealous friends decry your dolly as a copycat foreign knock-off) a certificate of authenticity.

STORMY WERTHERS

Having been jilted, feisty old broad Elsa Seman, aged 71, recently determined to blow her ex-manfriend's heart out of his chest and see how he liked it. It was a tragically poor judgement call. Dressed in black in the style of a ninja assassin and looking, one would hope, a bit like Honor Blackman, she crawled quietly through the garden of her former lover's home in North Versailles, Pennsylvania, on her elbows and tits.

Unfortunately, Elsa made a little too much noise dragging herself through the rosebushes, a curtain twitched, and someone dialled 911. Before she could reach the door,

moving slowly and steadily like Andy McNab so as not to be seen, the police turned up, drew down, and blew her away.

TED'S SEVERED HEAD GETS STUCK TO A TENCH AND STRUCK WITH A WRENCH

If you're thinking of having your head severed, frozen and stored in a cryogenic facility when you kick it, in hopes that future doctors will be fighting with each other for the chance to reanimate a 200-year-old napper and 'cure' whatever ails you (notwithstanding that not having a body has become an extra drawback, and one which it will likely be particularly tricky to treat), read on.

In 2002, following a heated family discussion, the head of late baseball megastar Ted Williams was cryogenically frozen in the hope that he would one day live again, be outfitted with a body or, at least, a half-dozen castors, and enjoy a series of lame adventures with Buck Rogers and Twiki. But an employee of the Arizona lab in which Ted's head is frozen recently came running to the newspapers whining about the sports legend's frosty pan loaf being disrespected and disclosing any number of alleged workplace atrocities involving the poor old duffer's sainted skull.

Most jaw-dropping of the lot was the allegation that, in order to keep Ted's frozen head from sticking to the inside of its storage carton, his dome was placed on an open fish can inside the container... only for the can itself to become stuck to the head – so firmly that it needed to be smacked free by repeated heavy blows from a monkey wrench. Dignified.

FOUL PLAY

Appearing in court in Truro, Cornwall, 40-year-old David Truscott was recently sentenced to four months in jail for repeatedly trespassing on the farm of Clive Roth in order to 'play' in the farm's manure-spreader while wearing only his knickers – which, witnesses noted, were grubby – and, incongruously

enough, a pair of rubber gloves.

Truscott apologised by telling the court that if his dancing around doing handstands in shite had offended anyone who happened to be standing watching then he was terribly sorry, but begged them to take into consideration that he was fighting a sexual fetish for manure. And there ain't many rehab clinics treat that.

READER, I FUCKED HIM!

I love your Reader's Girlfriend section, but I want to know how many of them are really the girlfriends of your readers, and how many are from your secret model stash? I mean, some of them are fucking gorgeous. If I sent in pictures of all my ex's you'd have a fright, believe me, and the last thing you'd want to do is stick them in *Club*. You might want to stick them in a pen.

while, to ready her (and myself) for what was about to come.

Unable to restrain myself any more I plunged my cock deep into the folds of her wetness. Fucking her from behind with slow, long thrusts I started biting her neck and teasing her clit with my right hand while she pressed her arse harder against me, trying to get all she could.

Moaning and with her eyes still closed, she turned around to look for my mouth. As our tongues met and my cock ground against her pussy, she opened her eyes and saw the door wide open and a couple of curious passers-by looking into our vigorous fucking session. With a gasp she stiffened. The spectators were too much for her and sent her over the edge. With loud musical moans she started cumming and squeezing my cock with her pussy muscles.

At this point I was so randy that, without giving her time to relax, I grabbed her thighs and lifted her towards me in a wheelbarrow position, trying to pull her cunt along the full length of my shaft as she screamed for more. The rhythm intensified. I started slamming her with all my force, racing towards my own orgasm. In the depth of my lust trip I started vibrating and practically jumping up and down, still holding her legs under my arms.

The pressure on her G-spot sent her straight into another climax. Moaning with explosive craving, her muscles clamped on my cock even harder than her first climax, trying to squeeze everything out of me. It was too much and, with a final battering thrust, I came to her pussy hugging my throbbing rod while slowly setting her back down in a standing position, while she milked me with slow circles. She kept at it until she had every last drop of jizz out of me, until the very last twitch of my ecstatic cock, before

slipping off me.

Without a word she pulled her panties and tights up, straightened her skirt and stormed out of the door, slamming it behind her, straight into the arms of the small crowd which by this time had gathered in silent awe by my flat. I have

never experienced anything as intense as my encounter with Angela by the canal.

LIBRARY LUST

I was going through a period of lockdown studying for final exams. I spent most of the time shut in the library continually distracting myself, looking at girls with a growing desire to fuck them. One night I went down to the deserted bar for a lonely cigarette. A girl was there indulging in the same distraction. I lighted my cigarette and stared at her, the small blond girl kept her eyes on the smoke coming out of her red, juicy lips. She sucked the last drag of her fag and crushed it in the ashtray. That sudden gesture of secure violence aroused me and I felt my cock rising inside my jeans. I continued staring while she got up and headed inside. I cursed my shyness, promising myself to overcome it.

I finished my cigarette, imagining what she looked for in a fuck. I walked back to the library and there she was sitting right next to where I had left my books. I sat down and stared at her again. She blushed and I slipped my hand under the table, between her thighs and under her skirt. She didn't react and continued staring down.

My hand made its way under her pants, and I started playing around, making my way between her labia, searching for her clitoris. My fingers pressed upon it and slowly started stimulating it with circular movements. I felt the moisture on my fingers and I pressed harder, pulling the swollen clitoris.

With my other hand I unzipped my trousers then grasped her hand, leading

THE SPICE TRADE!

Saffron might be one of the most expensive spices, but I reckon your *Club* girl Saffron might be an even more expensive date. She doesn't look the type who'll be happy with a few pints at my local Samuel Smiths followed by a fish supper. No, she sounds like the sort of middle class bird who'll want oysters and champagne at some Michelin-starred joint before going on to a club where footballers hang out. Mind you, I bet she'd still go like the absolute clappers. Posh girls are always the dirtiest, and I reckon Saffron swallows cock like a champ.

ACE IN THE HOLE! ♣

...and Monica is pretty special on the outside too!

If we were a 'rival' porn mag from a lesser publisher, we'd use Monica's name at this point to make some 'topical' gags about Monica Lewinsky and Clinton's cigar, or maybe Monica from *Friends*. But no, instead we'll simply take the opportunity to say how much we want to fuck Monica in every available hole. Simple as that, really.

"Cheers," grins Monica, who isn't in the least bit taken aback and, in fact, seems quite game. "Well, all my holes are available right now, because I'm single and, to be honest, I'm as horny as fuck. All it takes is a nice smile, make me laugh and maybe you could buy me a drink and we're off."

Sweet. We'll bring the cigar and the *Friends* box set... ♣

BOX CLEVER!

STUFF YOUR DVD WITH CSI BOXSETS, AND STUFF YOUR POSTBOX WITH PRIZES...

While Prufrock measured out his life in coffee spoons (yeah, we get a lot of poetry fans writing to *Club*), we measure out ours in DVD box sets. January to March? That'll be *The Wire*. April? We'll get round to *House* and a smattering of *The Shield*. *The West Wing* will clearly take up most of the year. Basically, US TV box sets kick all kinds of arse and take up those times when we should be writing the great British novel.

So, all our plans to get cracking on that album/novel/gardening next year have been kicked into touch by Momentum Pictures releasing all 38 *CSI* boxsets – that's *CSI Miami*, *CSI NY* and the OG *CSI Las Vegas* – at £10 each – down from the usual £34.99. HMV are exclusively retailing the complete collection of boxsets (*CSI NY* S1-5, *CSI Miami* S1-6 and *CSI Vegas* S1-8) at this very special promotional price but only until the end of 2009! Basically, you've got about 3 days to go and cane this promotion and make sure you're watching Gil Grissom all next year instead of shit like *My Family* and *Albion Market*, or whatever is on British telly these days. We don't know, we just watch boxsets.

And if you're too tight to spend £10 – really, take a look at yourself – we've got 3 copies of the *CSI NY* Season 1 boxset to give away. In your face, magazines with only 2 copies – or even 1! – to give away. Simply

answer this question: Which *CSI* came first: Vegas, NY, Miami or Croydon? Email your answer to clubint@paulraymond.com or write to the address on page 4. First three names out of the hot get their hands on TV gold.

FUCKIN' FAMOUS!

THE WORLD IS OBSESSED WITH CELEBS, SO WE MIGHT AS WELL SHOW YOU THE HOTTEST ONES...

Is there a finer thing in the world – other than *Club International* and everything in it – than your favourite celebrity getting her spigle out? We think not, which is why you'll find a whole lot of that kind of thing in Popshot Culture (see pages 42 and 43). But we want to know who your desert island celebs are. Who are the film stars, pop tarts and dismal daytime soap sorts you long to see in mildly erotic nip-slip action? Send us your top 5, we'll print the best and we'll dig the snaps out for you. Send 'em in to clubint@paulraymond.com address, or the address on page 4.

it to wrap around my hard cock. She was still, so I started thrusting my knob against her hand while

her grip grew tighter and tighter. My dick grew in size and I could feel it exploding, constrained by her grip. I couldn't believe my luck – I'd tried with no hesitation and got what I wanted. It was all about confidence, I thought to myself. The thought gave me momentum and I grabbed her, squeezing her from the buttocks, slowly nudging her back to slowly flatten her on the table, but following her to keep thrusting on her firm grip.

I pulled her tights down and pushed my head between her crossed legs, resting them behind my neck as my head plundered in her moist pink folds. I kneeled and started playing with her clit, giving small bites and exciting her with my moist tongue. Her cunt opened up and her juices started to flow. My hands reached up her thighs and I started fingering her with my thumbs (if that makes sense). She started moaning, covering her mouth to stifle the sound.

I entered her moist hole with my tongue and started stimulating the inside of her pussy. Her clit became even more swollen and super sensitive, I dived in to it, making her spasm and

pant while her juices reached my lips and I found new momentum. I unbuttoned my trousers, opened her legs and stood up, squeezing her thighs around my waist. My prick was almost painfully rock hard, exploding with lust over her timid moaning.

I had no other desire than to make her lose her every reserve. I grabbed her hand and firmly wrapped it around my cock again. I mounted her. She moaned, I took my prick out and penetrated again, allowing only the bell-end to enter at first. Her moaning grew louder and my cock slipped in completely while she grabbed me in the throes of pleasure. I pounded harder and her cries grew in intensity as she lost control and the muscles of her vagina clamped over my cock. She came, arching her back. It felt incredible, but she was asking for more.

I turned her around with my cock still tight between her contracting muscles. I put her flat on her stomach and I could see her wet, wide pussy asking me not to stop. Her cunt loosened her grip and my cock was throbbing again. I bent her legs down towards her stomach and kneeled on a chair, humping her from the limit of the table. Her back arching tightened the grip on my cock, I felt ready to shoot my load.

I came first, but the moment my cock started gushing cum on her back, she cried that she was going to orgasm again. She took everything she could from my cock, spasm after spasm, and she asked for my knob until it was milked to the last drop. At which point, we finally introduced ourselves to each other...

NAME: Dani **AGE:** 19

WHAT'S SHE LIKE? She's a sexstar in the making!

WHY DID YOU WANT TO APPEAR IN CLUB INTERNATIONAL?

Ah, I love wanking to *Club*, and other porn mags as well, but mostly *Club* because the girls are the sexiest.

WE HEAR YOUR MODELLING CAREER IS TAKING OFF ALREADY?

Yeah, I sent pics in to *Escort* and *Razzle* as well, and they were quicker off the mark than you guys and I've shot loads of pictures for both of them.

SERVES US RIGHT!

You did take your sweet time, but I can finally say I've been in *Club*. I plan on showing it to a guy at my work who I fancy. He plays hard to get, but if he thinks he's getting into a porn star's pants, it'll be a different story.

ANY CHANCE OF PORN MOVIES?

Not just yet, but who knows. I really like American gonzo ones where the girls are surrounded by cocks and covered in spunk. I'm not sure I'm ready for that just yet!

OH GOD, TELL US WHEN YOU ARE!

Ha ha, I will! Maybe we can make a private one as my way of saying thanks for putting me in *Club*.

THAT WOULDN'T BE PROFESSIONAL.

Oh, go on, I'll be very dirty... ♣

DOWN THE WIRE

What's been keeping *Club*'s network of global correspondents busy this month?

THE MARSHAL PLAN

Local law enforcers are still appalled and embarrassed by how easily 37-year-old nutter Gregory Denny was able to 'deport' Cherrie Belle Hibbard from her home in Hemet, California, back to her native Philippines.

Hemet police allege that Denny, armed with a gun and sporting a fake US Marshal's shirt and badge, waltzed into the Hibbard household and arrested the five-month pregnant Cherrie Belle. He then escorted Mrs Hibbard to San Diego's Lindbergh Field airport, and sent her home with a ticket to the Philippines that he had ordered Cherrie Belle's husband Craig to purchase.

Fake Marshall Denny accompanied the bewildered woman through airport security, put her onto a flight, and stood, arms folded, looking macho, as her plane lifted off and carried her home to the Philippines.

Later, when questioned by police, the miscreant apparently continued to insist he was a US Marshal. Only after he was arrested on suspicion of kidnapping, impersonating a peace officer and numerous other charges, did it come

to light that Denny is a distant relation of Cherrie Belle's husband and that Denny may well have believed that, by sending Cherrie Belle packing, he was doing husband Craig a good turn.

I CALL 'FIDO' TO THE WITNESS BOX

British Columbia's District of Sechelt Council recently approved a ludicrous byelaw making it illegal for licensed dogs to chase squirrels and other wild animals. The legislation allows exceptions in cases where dogs have been subject to 'provocation' by the squirrels. But what if the dog is the only witness?

SKULL-FUCKED, BUT NOT IN A NICE WAY

Smarmy former speaker of the Missouri House of Representatives Rod Jetton, who is also renowned in the US as the founder of Common Sense Conservative Consulting, LLC, has been charged with felony assault after visiting a woman in her home and allegedly engaging in a loud, rough kinky sexual encounter.

The woman complains that Jetton punched her in the head and choked her until she blacked out, and that this was Rod's notion of foreplay. Jetton, however, maintains that the so-called 'assault' was consensual, and that she was to utter a pre-arranged 'safe phrase' - in this case 'green balloons' if things got out of

hand. He insists he would have stopped if she had spoken them, and swears blind that the woman never once said 'green balloons'. The prosecution contends that this was probably because the poor bint was unconscious.

10 YEARS FOR STUPIDITY

Twenty-seven-year-old getaway car driver James Snell received a 10-year sentence at Cardiff Crown Court for his part in a £104,910 robbery on a branch of the Halifax from which he and his fellow crims sped away in his motor...

a BMW distinguished by a highly distinctive personalised license plate bearing his first name in the form 'J4MES'.

J4mes and his crew were apprehended by the rozzers after a

witness remembered admiring the distinctive plate on the sporty blue BMW and passed on the details to The Law. He and his elder brother Wayne were traced and captured red-handed with over £30,000 of the cash in their possession. Police say that despite the rest of the gang being caught, tried and sentenced, the remainder of the lolly - totalling more than £70,000 - remains unrecovered.

COLOSSUS OF ROGUES

Awkward questions are being asked concerning the gigantic bronze statue entitled 'African Renaissance' currently under construction in Dakar, Senegal, on the whim of Senegal's president Abdoulaye Wade. The monument, which will cost the country \$27 million, was initially heralded as something likely to become a point of African pride and to boost Senegalese tourism, despite the fact that the people living in rubbish-dump houses at the foot of the hill it rests on are starving. But now journalists are voicing suspicions as to the real motives behind the erection of the statue, which features a

woman with her dress hitched up round her waist, it having become apparent that the monument was built by North Koreans, and that President Wade will personally be pocketing 35% of all

revenue generated by any visitors bored enough to ponder the pointless monstrosity.

DONG GONGS!

Club canes the free bar at Television X's SHAFTA's...

The promise of a complimentary bar, posh canapés and the cream of the UK porn world in a legendary riverfront Greenwich pub was too much for *Club*'s weak attempt at dieting and living a pure life to resist. And like truffle pigs under a tree, we were duly to be seen ogling the fabled arse of Angel Long and the soon-to-be fabled top front arses of Syren Sexton while ordering Stella by the lorry load. Yup, TVX know how to put on a party, although such were our wandering eyes with all the telly totty around that we probably looked like Marty Feldman. Look, there's Sasha Rose, oh, it's rising star Satine Spark, blimey, will you look at the jugs on Melvina... and so forth. Angel won not just for taking it in the bum, which she does like a champ, but for her blossoming directorial career with partner Laura in *Pure XXX*. Demetri picked up male performer of the year, with Syren Sexton the female equivalent, with another trophy for Best Spoof Series (*Life in Bras*). And long after all the lovely women had gone, the free bar was still keeping us away from home... ♣

CINDY & PEACHES BREAK THE ASS CEILING...

Cindy and Peaches might occupy different positions at work, but that doesn't stop them occupying different positions at work, if you get what we mean. Well, of course you do, there's a bunch of photos here that make it pretty obvious.

Peaches might have the better job, but she knows that everyone is equal when the clothes are off and there's a couple of fingers wiggling around in your twat. Cindy doesn't care about impressing the boss, she just wants to suck those two fingers of hers clean before replacing them with her probing tongue. Oh, and to get her own pussy eaten out as well.

It's no way to get work done, of course, but as screen breaks go, it sure beats huddling outside for a crafty fag... ♣

The mirror crack...

Evelyn is not a girl who is easily bored. Her modelling career takes her around the world and dumps her in hotel rooms from roach motels to 5 star spa retreats. But she's never bored.

"I've got a couple of people on speed-dial in pretty much every city I work in. If I feel horny and want some company, I call them up. I don't mind my own company – and there's always a pocket rocket in my handbag – but I've got quite the network of friends I can call to come and fuck me at any time of night or day."

Any gaps in the phone book?

"Only in places I haven't been to yet. I'm doing my first ever job in Tokyo soon, so I need a fuck-friend out there. But I work in London most of all, so maybe I should meet some more people there. Got any suggestions?"

Yep, our number is... ♣

RATINGS: ★ GRUBBY ★★ UNKEMPT ★★★ DIRTY ★★★★★ MUCKY ★★★★★★ FILTHY

ALEKTRA'S DIRTY MIND (WICKED)

Alektra Blue had a much dirtier mind before she was a contract girl. However, she didn't look half as good as she does now. So while her sex may have got softer, it definitely looks sweeter. She's in prettier company too, Brynn Tyler, Brooke Haven and Bella Cole being the rest of the tooth-rotting eye candy on display in this slender effort. It's got the Wicked gloss you expect, but often feels like it's just something for Alektra to do until they come up with a good idea for her. Here's one: All the Wicked girls get done up the bum. You can have that for free. ★★★

SLUTWORTHY (DIGITAL PLAYGROUND)

We imagine that if you called most girls 'slutworthy', you'd be met with a swift slap to the face. But in pornland it's different. Of course, it's all in how you say it. Telling a porn she's a 'right slag' is probably the wrong way to go about it. Most of the 'slutworthy' sorts on display here are new or newish – we've shaken our bacon to Kagney Linn Karter and Madison Parker before, but we're delighted to make the acquaintance of Kasey Chase and Mallory Rae Murphy. Sluts. ★★★

GARDEN OF ENGLAND (FILM EROTICA)

Film Erotica sure do like their outdoor locations. Well, I don't, mostly because there's always a fly buzzing around someone's arse, or a distracting beetle in the background. Happily, all the action worth speaking of here happens behind closed doors. Angel Long, Renee Richards and Suzie Best have all been around the block marked 'knob' far too often to disappoint. Renee and Suzie share a load, Angel gets bummed. All this, and a marked lack of beetles. Winner. ★★★

BRA WARS! ♣

Megan's busting out all over...

Megan is thinking of giving up on bras altogether. Rejoice, men of the world.

"I'm sick of them for so many reasons," complains the 21-year-old from Wisconsin. "It's hard to find them in the right size, so they're uncomfortable. They're really restrictive around my titties and guys turn into total dicks when they're trying to take them off."

Maybe you should offer masterclasses to *Club* readers in how to remove them.

"That's not a bad idea. It can really blow a horny evening when I want a guy to suck on my tits but he can't get my bra off. Up your skill sets guys!"

Line up for practice, fellas, volunteer Megan will be our very first bra-removal masterclass guinea pig... ♣

Dakoda is really very naughty...

Dakoda might look ridiculously sweet and nice – and indeed she is. But boy, some of the things we've seen her do... Who'd have thought a cute little thing like that would get double penetrated in the likes of *Slut Puppies 3*? We thought she'd be the kind of girl who did am-dram and scrapbooking.

"I'm more of a wild child," says the Alaskan native. "Why do you think I've got these tats just near my pussy? They're to remind guys that that's what they need to be focusing all their time and attention on!"

Believe us, we are!

"Good. And when you're done pampering my pussy, you can travel round the back and take care of my ass too!"

We think she means 'arse'.

"You Brits! Forget the words, cut to the action..." ♣

CRYSTAL'S WATERS

DON'T WORRY, WE MEAN HER SEXY WATERS

Let's be clear: this isn't Crystal Valera's house. No, a kind person lent it to us so we could pretend we lived the high life with glamorous models.

The owner was a bit worried that we'd make a mess – a sticky mess – so he even removed all the furniture. Well, *Club* does have previous in that area, we'll admit.

But halfway through the photo shoot he nipped home, took one look at Crystal, and then found he had 'loads of things to do' at his house. We couldn't get rid of the bugger. He was pretending to be busy, but checking out Crystal's bits none too surreptitiously.

So, the photoshoot ended, and Crystal had nowhere to sit. All of a sudden, mein host was moving the furniture back in and being most accomodating. Needless to say, *Club* stuck around with Crystal, and a sticky mess ensued... ♣

The place to be for the world's dirtiest backdoor sex stories. There's no such thing as a 'wrong hole'...

REAM SERVICE!

When I found myself single for the first time in three years I decided to drown my sexual frustrations in jizz. I sent a flirty email to Mark, an old boyfriend from a long time ago, and posted an ad online. Mark said I should hook up with some of the other takers, gorge myself on dick. That's when I decided I wanted a foursome.

I booked a hotel, staying the night with Mark. The next day, the first new bloke, Daniel, arrived. While Mark went on a beer run, we got naked and I sucked Daniel's dick.

"Beer or pussy?" mused Mark on his return, as my arse waved temptingly before him. He chose both, trickling the cold beer down my crack, mouth in position to catch it. And he kept a stream of it wetting me, as he chowed down on my snatch.

Daniel had driven two hours with an ever-swelling hard-on so it didn't take long to get

his bone in my arse. He must have got a show, as I felt every stiff, fat inch of it slip in, easing my bum open. Whenever it felt like too much to take, he'd give my clit a tickle, releasing the pressure. Then, as he started to thrust in and out, he frigged me harder, the waves of pleasure radiating out from my crotch.

My cunt was throbbing, pouring with juices, twitching as Kirk's prick reamed my arsehole. And now the other guys began sucking on my nipples. I was all hyped up, and suddenly my bum clenched tight. Kirk kept on fucking it, and then I felt him blow his spunk deep inside me.

I'd only just got started, so seeing Mark's dick hard and ready, I got him on the floor and started to ride him. I'd fucked him so many times, knew just how it felt, but I don't think I've ever been so turned on. My arsehole was tender, slick with juices, and now Daniel was jerking himself up against my tits.

"He wanked his dick as he teased my slit and smeared the juices on my arsehole..."

him spunking in my mouth. I opened wide so he could see himself shoot, then gulped it down. I didn't want to interrupt Mark's tonguing – he could watch later! He made me cum a couple of times and then while I took a beer break, my phone rang – Kirk was minutes away.

He walked in through the unlocked door to find the guys splaying my legs, and me fingering my cunt, spreading it open. He told me to stay just as I was, undressed and dropped to his knees, then slowly wanked his dick with one hand as he teased my slit and smeared the juices on my arsehole with the other. Well, he had warned me he was an anal fiend!

As he lubed me, Mark and Daniel raised my legs right up and back. Kirk didn't want me from behind, he wanted to see my face as he slipped

Kirk took what had to be the world's quickest shower and was already stroking his hard dick again as he came toward me. I watched it slide in and out of his fist, then fed him into my drooling mouth.

It seemed surreal – a hard cock pumping my snatch, while another screwed my mouth and I tugged a third. Daniel's was twitching in my hand now, so I squeezed a little harder, felt the cum splatter on my boobs. Mark is pretty good at staying in control, but now he reached up to play with my tits, spread the cream on them, and that set off his climax too. No surprise that Kirk was the last to jizz anyway, although it happened quicker than I expected. And this time I let it overflow out of my mouth and onto my tits.

Since then, I've been fucking all three guys – Daniel every couple of weeks, Kirk whenever he can sneak a couple hours away from his wife, and Mark most often. I'm getting my fill of cock, but I'm always on the lookout for more!

Manchester

TOYS 'R' ASS

My two best girlfriends are Karen – a bisexual babe like me – and Jane, who's a full-on lesbian. Every couple of months or so we'll all take a sickie from our jobs and fuck each other's brains out. It's a cheap thrill – all we need is a few bottles of wine and fresh batteries for our sex toys.

It's a total free-for-all threesome – suck or fuck whichever willing tit or cunt you like, and Janey's now got into anal at last! She resisted for so long, even with us telling her how good it felt, and then she finally let a dyke slide a butt-plug in her arse – and almost humped her face off when the girl sucked on her clit.

So Karen and I double-teamed her, fucking her cunt with a big dildo, just to get her hot and ready. She let out a little squeal as I squeezed some lube on her pucker, then I pulled the toy out while I fingered her bum, before slathering it with slippery goo and sliding it in her tightest hole. Karen moved in to vibe her clit, and that was it.

As her arse went into spasm, I gripped the dildo really tight and Karen rubbed up on her, tit to tit, holding her steady on the bed. "Just don't stop fucking me," Janey groaned, and I wasn't planning to. I was gazing at her pussy, watching it swell and quiver as she came time and again. We fucked her halfway to exhaustion, though a large glass of wine refuelled her. Then Karen said, "I think she's ready."

Janey's eyes widened when Karen brought out her strap-on. It's always freaked her out a little, too much like

taking a real cock. "It's okay, you just watch," Karen told her, and began to play it up and down between my pussy lips, probing but not penetrating. I was on edge but it got to Janey just as badly. Karen had tossed her a vibrator to play with, and she was pumping it furiously in and out of her cunt. We both gasped when Karen suddenly rocked her hips forward, nailing me with the fake dick. Her fingertips clawed at my hips and her pelvis slammed against my arse cheeks, as she banged me like a pro.

"Think how good it would feel in your arse," I groaned between orgasms, and soon Janey was begging Karen to fuck her too.

"You sure about this?" said Karen, loving this turnaround. Janey got on her hands and knees and spread her cheeks.

I said she should try it in her pussy first, and she agreed, moaning as the latex length slid in down to Karen's harness. Meanwhile I lubed her crack, then sucked her tits as Karen slowly eased the toy into her arse. It took a while for her to take it and get used to the girth – then she began to grind back as Karen thrust in and out.

I took the vibrator and used it on my clit, right in her face, before laying back so she could eat me out. It was so hot – she just clamped her mouth on my cunt, tongue sticking out, letting Karen shunt her on and off of me. Then she began to slurp and suck, tugging on my crotch as she got arse-fucked.

Janey was so turned on – I heard her moan, mouth buzzing against my twat, squealing as Karen pegged her arse a little deeper. Then as her tongue ploughed in and out, I vibed my clit, cumming salty-sweet rivers in her mouth.

The big advantage with girl sex is that it doesn't have to stop when you've all cum, not that Karen and I would use that as a reason to give up cock. Actually, we're fucking Janey with dildos as much as possible to try to turn her onto the idea of fucking men. The choice is hers, but when just Karen and I get together to fuck, we fantasise about seeing Janey take a big dick for real.

Rachel, Bolton ♣

TALKIN' BLUE

Got an experience to share? Then send it in to Talkin' Blue at the usual address and if it's up to scratch you'll bag yourself £50!

WHO'S THE BOSS?

I'm the assistant to a wealthy businessman, and needless to say while the cat's away, I certainly play. This is exactly what happened last week when he and his wife took an impromptu trip, leaving me in charge of their gated fortress. I immediately popped the top down on their sports car and went out on the prowl in search of fresh pussy to satisfy my insatiable appetite.

My travels led me to a nightclub overflowing with horny girls ready, willing and eager to latch on to men with money. Immediately I spotted the fittest redhead imaginable. She was swaying her bubble bum to the music, driving me crazy with her caramel-coloured eyes. She licked her lips and unbuttoned her blouse, giving me a glimpse of the gorgeous patch of freckles that covered her big natural tits. My cock went into high gear watching her run her hands over her tight stomach and long legs while seductively lifting up her tight satin skirt to show me her smooth-shaven cunt.

"What's your name, darling," I whispered, nestling my lips against her ear when I spoke.

"Faye," she purred, grabbing onto my hips and grinding her greedy crotch right into my rock hard knob. "Let's get out of here," she urged, grabbing me by the tie and leading me out of the club like a dog on a leash.

The instant she sat in the car I saw a glossy

"I stacked the girls and then took turns slamming my cock into Faye's arsehole and Lindsay's pussy"

trail of goo sliming up the leather seats. I knew I had this girl signed, sealed and delivered! It didn't take long before Faye had my trousers down and was slurping up mouthfuls of my cock and balls as I drove. Soon she was riding my lap in cowgirl, sliding her drenched beaver over my prick and sticking her tongue down my throat.

When we arrived at the house she went straight to the sofa, happily accepting my tongue inside her arsehole. I spat a wad of saliva into her freckled bung and another across the head of my cock and pushed it inside. Like metal to magnet my cock connected with minimal effort. "That's one elastic arsehole," I groaned, holding her arms above her head and urging her to wrap her legs around my waist. I lifted her up and fucked the hell out of her bum.

Suddenly the door swung open, and I heard a

gasp: "What the fuck is this?" It was my boss' wife, Lindsay! I was scared for my job, but not scared enough to stop fucking Faye's arse.

"Well, she is very hot," said the mistress of the house, examining Faye's perfect body and flushed, freckled face. To my surprise she tore off Faye's shirt and began to round her mouth over Faye's extraordinarily puffy nipples, sucking hard until she moaned with pleasure.

When she was finished there she spun around and started grinding her fuck hole into Faye's mouth until it dripped with cream. It was at that moment I knew I wanted a piece of Lindsay's arse as well. "Get over here and let me earn some overtime," I growled, grabbing Lindsay and having her lick my cock as it continued to pound in and out of Faye.

Knowing that my boss's other half was into the groove, I picked her up and stacked her on top of Faye and took turns slamming my cock into Faye's arsehole and Lindsay's pussy. My cock was so fucking hard,

continuing to swell as it thrust inside each of them.

Lindsay and Faye eventually climbed down and grabbed onto my meat in unison to deliver the ultimate blow and stroke session. It had my sword tickling Faye's tonsils and my balls rounding out Lindsay's cheeks. After several minutes of erotic bliss and two fistfuls of hair I knew I was about to cum. I pulled my dick out and splattered my load across Faye's nipples and watched Lindsay lick up every last drop. Instead of losing my job, I got a fat raise!

Ian, London

BUDGET BANGERS!

Money's tight, so my boyfriend Danny threw a really cheap stag do for his best mate. Cheap booze, cheap porn films and two of the cheapest sluts – me and my girlfriend Suzi – as strippers. We'd never done so much as an amateur night before, but we're a couple of wild girls up for a laugh.

We started out in lingerie, me in black, Suzi in pure white – like she looked innocent with her tits spilling out of her bra and tight thong-panties pulling in between her buttocks. We just served beers, getting the boys even more excited than the cumshots they were watching on screen. Then it was showtime. No announcement, no ceremony – we just put on some music and walked into the centre of the floor, Suzi freeing her huge boobs. I grabbed a cold beer from one of the lads and poured it all over them – tits and beer, what more could a guy ask for? Then I licked and sucked it off of her nipples, before following the stream down. Her knickers were soaked, and not just with beer. I yanked them

off, throwing them to the groom-to-be, then used my thumbs to part her pussy lips, letting the guys see her pink insides.

She'd shaved her cunt especially for the night, so a little licking got her very sloppy. I let her juices collect in my mouth, then made out with the groom, letting him share the treat. Then it was back to Suzi, this time with me sitting on her face. We ground and lapped away, my wet snatch grinding on my pal's mouth as my tongue burrowed in her hole. Then the groom asked, was it a private party?

Suzi took the hint, crawling out from under me and over to him. She unzipped his jeans, then sucked his entire cock inside of her mouth – I almost thought his balls would disappear too. As she gobbled him, I ate her arse and pussy, then Danny came in behind me and started feeling up my snatch. He beckoned to one of the guys – the nerdy brother of one of his mates – and told him to have fun.

It wasn't the best fuck I've had in my life, but any cock inside my pussy was good right then. He popped pretty quick but another guy was lined up to take over. This one fucked me hard, but I didn't miss a beat – I just kept eating Suzi as she sucked dick. The groom was playing with her tits, making her squeal with pleasure, and soon I felt her cum around my tongue.

Now she was wanking the groom off, who asked her to turn over. I bowed my head to keep on eating her, thrusting my arse back against the crotch behind it. It took me by surprise when I felt the guy claw at my arse cheeks, gripping tight as he spunked too. I'm not even sure who took over – another quick cummer. Danny moved in next but didn't fuck me – he got me to rub my cunt all over Suzi's body, tits, crotch and

belly until she was slick with cum.

The groom exploded over me, his hot load hitting my tits, then I slid down till I was cunt-to-cunt with Suzi. We writhed on each other, while any man still capable joined in a circle jerk above us. It was like a never-ending shower of jizz – one bloke would spurt, then one of his mates would follow, till every ballsac was emptied. "More beer," I demanded, and shook it up champagne style, squirting it over us to fizz up as it hit our spunk-drenched skin. Now Suzi moaned that she hadn't had a dick in her cunt yet. There were soon plenty of volunteers and of course she picked the biggest hunk of meat on display, a real thick prick.

With everyone else distracted, I dragged the groom off into the bedroom. Danny had told me his mate always had the hots for me, so I gave him the works. He'd already been sucked by Suzi, but he wanted to eat my cunt so I blew him too. Then I got on him reverse cowgirl, wetting his prick with a couple dozen strokes in my cunt before taking it in my arse as a finale. When he

warm tongue shove up my bum and a soft sigh escape her lips, "Delicious."

She continued to rim my arsehole with her tongue and ran her perky tits over the curve of my bum cheeks. When she spun around to give me a sample of her lips, her mouth tasted tangy and salty. It was Kim, the Asian. As I sunk my hands into her long silky hair I felt another warm body glide underneath mine. This girl ran her pearly nipple points against mine and bucked up to connect our twats together. "Que rico," she purred, instantly causing my pussy to gush with liquid. Latina lovely Maria had arrived!

So there I was sucking face with Kim and grinding cunts with Maria. As our pussy milling got more intense I felt the thrill of a hot tongue lapping up my sex drippings, followed by a finger up my arse. Since the finger felt slender I

"Jim lined us up in doggie and popped his cock in and out of us at will"

came, he pulled out and blew his spunk all over my cheeks and crack so he could watch me rub it in.

When the party wound down, Suzi bunked with him to give him his final unmarried screw. Meanwhile Danny owed me big time for entertaining his friends – a charge of three orgasms. All paid with interest and tips before the next morning...

BISEXUAL BAPTISM

I know it's quite trendy and cool these days for girls to claim to be bisexual. Well, that is until you actually get one of them home and discover they couldn't find their way around your pussy if equipped with a flashlight, a compass and a map! I'm a true bisexual girl, loving men and women equally, which means I frequently find myself in interesting situations.

Tired of all the familiar names stored in my mobile phone, I decided to take an ad out in the local newspaper in search of hot new pussy and cock. It read, 'Bi-curious babe in search of a fun time.' It didn't take long until my inbox was practically bursting at the seams with hot sluts and hard studs ready to play with me. I sifted through carefully, selecting a petite but spunky Asian chick named Kim, a lusty Spanish student calling herself Maria, an insanely fierce redhead named Ruth and a guy with the thickest ten-inch cock imaginable.

The game was set. One by one they arrived at my house. There I was naked and blindfolded on my bed with scattered sex toys all around and a note taped to my arse that said, 'No holes barred'. I heard the door open and the clicking of high-heeled shoes against the marble floors. I knew it was a female but couldn't be sure until I felt her

assumed it was Ruth, my top-notch redhead. I became certain of this when I heard the sound of a belt being fastened around her waist and the probing sensation of a plastic strap-on cock sliding through my bumhole like a hot knife through butter.

"Take my fat cock, you kinky bitch," she moaned, fucking me hard, eventually switching out to give Maria's pussy a try out as well.

approvingly. It was Jim, sticking his knob into Ruth's bush in doggie style as she continued to wedge her faux cock into me.

"Give me some of that," I pleaded, wanting desperately to feel all ten inches of Jim up my arse. He gave it to me good, stuffing my rump until I yelped, as Ruth strummed his balls. Now Jim lined all of us up in doggie position. He popped his cock in and out of us at will, then moved around to our mouths to get his cock licked clean. He flipped us over into missionary, intertwining our legs to get at our holes from an entirely new angle.

With Ruth's mock-cock still attached and her pussy hole bare, she glided underneath me and plugged my pussy

while Jim stayed steady on my arse.

Kim chose to suck Jim's balls from behind. Wanting to add a little spice to the mix I took Jim's lead and lined my snatches up in front of me, licking each slit and pleasing their clits with a vibrating wand until my mouth overflowed with girl-gush. After everyone had an orgasmic release I gave all my attention to Jim. I jumped on top of him in cowgirl and gave him the ride of his life until my pussy dribbled with his hot cum. Mission accomplished!

LIZ-TERINE! ♣

We'd wash our mouth out with her juices...

Liz has got a dirty little secret. Well, we're about to render it 'unsecret', but there you go. Basically, if you fuck her, you'd better have a tarpaulin or an umbrella handy. She gets wet.

"Oh, I'm an uncontrollable squirter when I have an orgasm," she giggles. "The first time it happened I was so embarrassed, but now men tell me it's really sexy – they can see that they're hitting the right places, they feel good."

So, are you copious?

"Over a good two hour fuck session, you'll get drenched. But then a lot of men I know love to eat me out while I squirt. They like the taste."

Well, we'll swallow yours if you swallow ours... ♣

TINA WOLF! ♣

She's champing at the clit...

Latina lovely Tina is exceedingly chuffed to make her *Club* debut. Is it because of our proud history of only featuring the world's hottest ladies? Is it down to all the top models and future starlets we've unearthed over the years? No, it turns out it's neither of those...

"It's because I've wanked myself silly over *Club* for years," she confesses saucily. "I used to have to buy two copies of certain issues because I juiced over them so much when I came."

So, what are your favourite bits apart from the witty headlines and erudite prose style?

"I love the reader's girls bit, I really do. I like the idea that there are other readers out there desperate to strip off for their favourite magazine. It just shows what a horny world we live in and how many fit girls want to share their pussy."

And now you're sharing yours.

"Yes, but I want to share mine with some other *Club* girls. Can you fix me up a shoot with another girl?"

Yes, but we have certain very sexy stipulations, Tina... ♣
